

Dickinson County Board of Supervisors
January 28, 2025

9:00 A.M. Present are Supervisors Kim Wermersen, Stephen Dullard, Levi Markwardt, Steve Clark vice-chairperson, and Chairperson Bill Leupold.

The pledge of allegiance to the flag was recited by those present.

Time for the 9:00 a.m. informational meeting for DD25 Br 48-9. Collin Klingbeil, Jacobson Westergard P.E. present for discussion on a repair petition with the possibility of an improvement. Klingbeil discussed with landowners and the board what the cost estimates between repair and improvement would be with fixing or improving the tile located in the above drainage district branch. Landowners were concerned with the tree roots causing harm to the new tile and making sure the new tile was far enough away from the new proposed tile if an improvement was done instead of the repair. After further discussion, Klingbeil will be looking into the tile at the beginning of Branch 48 and scheduling a public hearing after a preclassification report is filed to let landowners know what their cost estimates would be.

Time for the 10:00 a.m. informational meeting for JT 61 CDE Br 399 West tile. Colling Klingbeil stated to the landowners and the board that a petition had been filed and requested an informational meeting be done with the landowners present to get their input on the proposed improvement project. Landowners' concern was the cost of the improvement and whether the extent of the improvement needed to be done all right away or if part of the improvement could be done in increments. After further discussion, it was moved by Clark, seconded by Wermersen, to preclassify all options for landowners to see cost estimates. Roll call vote: Clark-aye, Wermersen-aye, Dullard-aye, Markwardt-aye, and Leupold-aye.

Tony Thelen, resident of Dickinson County, present with discussion on the Garlock Slough Flood Resilience Plan update. Thelen expressed to the board of their unpreparedness of the floodings that happened on June 21, 2024. A study was funded to learn what happened and how to prevent it in the future. Thelen explained to the board that they want to make sure a plan is set for the next time something like this happens and what precautions can be made in the future to ensure residents will be prepared if it does happen again.

Moved by Wermersen, seconded by Clark, to approve January 21, 2025 board meeting minutes. Roll call vote: Wermersen-aye, Clark-aye, Dullard-aye, Markwardt-aye, and Leupold-aye.

Moved by Clark, seconded by Markwardt, to approve the claims as listed on the January 28, 2025, Claims Listing. Roll call vote: Wermersen-aye, Clark-aye, Dullard-aye, Markwardt-aye, and Leupold-aye.
